

Chair Mats for Carpet

Our clear vinyl chair mats for carpet facilitate desk chair movement while protecting floors from wear and tear. These heavy-duty chair mats are available in 4 grades to accommodate any carpet type and thickness. Beveled edges ensure easy rolling on and off these floor mats.

The heavy-duty, PVC vinyl construction of these chair mats adds durability to the mat while the clear finish allows the floor beneath to show through.

Chair Mats for Carpet are available in rectangular shapes and traditional shapes with a lip (which is an extension, or protrusion, from one side of the chair mat that fits under the desk opening).

All Chair Mats for Carpet come with a **LIFETIME WARRANTY** against breakage due to normal wear and tear.

These desk chair mats are in 4 thicknesses - click the [Chair Mat Thicknesses](#) link below for more information.

Custom carpeted chair mat shapes & sizes are available.
