

## Sure Step Rubber Runner Mats

Sure Step Rubber Runner Mats are certified high traction rubber runner mats. Their light weight and durability make them an excellent multi-purpose runner mat for any need.

These runner mats feature a three-stage traction design. A high traction rubber compound, micro texturing and a large diamond pattern work together to prevent slips and falls.

A low-profile design allows these mats to be used without creating a trip hazard. Mats may be permanently installed or rolled up for storage and cleaning. Spills may be wiped up and cleaned with soap and water, and mats will air dry.
