Waterhog Classic Door Mats

Waterhog Classic Mats have become the industry standard, commercial-grade door mats due to their proven effectiveness and durability in all environments.

Waterhog floor mats boast a raised square or “waffle” pattern that scrapes dirt and debris lodged in shoes and wipes away moisture.

The polypropylene surface of the waterhog classic mat dries quickly and is stain-, fade- and mildew-resistant.

This waterhog mat is available with the traditional black rubber borders as well as matching fabric “fashion” borders for a less industrial look.

A smooth backing hugs hard floors while a gripper backing grabs onto carpet to keep the waterhog classic mat securely in place.

To clean these waterhog mats, simply shake out, vacuum or hose off.
