## Wood Design Kitchen Mats

Beautify your kitchen while adding comfort with wood grain design kitchen mats. These floor mats offer a wood grain look but all the cushioning and stress relief of a foam mat.

These anti fatigue kitchen mats are perfect in front of sinks, stoves and any preparation areas where you may stand while in the kitchen.

The durable vinyl surface of these kitchen floor mats is stain, puncture and mildew resistant. A low-static surface helps prevent food from sticking to these wood grain kitchen mats.

These floor mats include a foam base that molds to your feet to provide superior comfort compared to gel-filled mats, which can puncture and leak.

All edges are beveled on both these 1/2" and 7/8" thick kitchen mats to prevent tripping.
