

24/7 Open Anti Fatigue Mat Tiles

24/7 Open Anti Fatigue Mat Tiles are a comprehensive interlocking comfort floor mat system. The large open holes create a textured anti-slip surface while draining water and holding debris for later removal. Available in General Purpose, Cutting-Fluid resistant and Nitrile formulations. All mats are 5/8" thick and highly customizable. A hidden fastening system prevents trip hazards and makes set up easy.

Grease Resistant (GP) mats are excellent general-purpose mats that are grease and water resistant.

Cutting-Fluid Resistant (CFR) mats are formulated to withstand mineral oil-based cutting fluids used in machining, manufacturing and repair areas.

Nitrile Rubber (NBR) mats are made from a nitrile / rubber compound specifically formulated to resist damage from petroleum-based fluids that make ordinary rubber mats to rot, swell and disintegrate.

ToughGrit traction surface available on CFR and NBR mats. Safety ramps available in black and safety yellow.

Item No: FM.F247DM

Modular Tiles

Size	Qty. 1-10	Qty. 11-25	Qty. 26-50	Qty. 51-100
3' x 3' Tile (All Purpose)	\$54.00	\$52.76	\$49.40	\$47.24
3' x 3' Tile (CFR)	\$78.00	\$76.12	\$74.04	\$72.24
3' x 3' Tile w/ Grit (CFR)	\$125.00	\$123.12	\$121.20	\$119.24
3' x 3' Tile (NBR)	\$82.00	\$79.72	\$77.40	\$75.56
3' x 3' Tile w/ Grit (NBR)	\$136.00	\$134.12	\$132.20	\$129.88

Beveled Safety Edging
