

Anti-Fatigue Custom Logo Mats

Anti-Fatigue Custom Logo Mats are anti-fatigue mats with a custom logo design on top to help promote your business while enhancing employee comfort.

These anti fatigue mats are perfect for locations where customers can see the company's logo image, which reinforces brand loyalty.

Each anti fatigue mat has a two layer construction: a flexible rubber surface to increase durability and boast the logo design while the comfortable cushioned base compresses for years of comfort while standing.

There are unlimited color options for these anti-fatigue logo mats; shading and fading effects can easily be replicated.

All personalized anti-fatigue floor mats are 5/8" thick and have beveled edges on all sides for ADA-compliance.

To clean, simply sweep, vacuum or wipe down with a damp cloth.

PLEASE NOTE: a logo mat design proof will be emailed to you for your approval before production.
