

## Boulevard Door Mats

Boulevard Door Mats are very durable and attractive entrance mat boasting 40 oz. tufted nylon and a horizontal wave pattern to efficiently remove dirt and debris from shoes. These attractive entry mats use two types of yarn to aggressively grab water and dirt from shoes, a drying yarn and a mono-filament wrapped yarn. Boulevard Mats are woven in a horizontal high – low pattern to further increase the shoe cleansing action, and are the first line of defense when used with our Uptown Door Mats.

Boulevard and Uptown are color coordinated, and designed to be used as a comprehensive system, or as a stand-alone mat. These premium entry door mats stand up to the heaviest traffic, are highly absorbent and retain moisture very well.

Boulevard Door Mats are a perfect entrance mat solution for all large, upscale, high-traffic entrances including offices, hotels, professional buildings, law firms and office parks.
