

Chevron Door Mats

Chevron Door Mats combine great style with an effective surface design. These entrance mats feature a raised chevron or arrow surface that is excellent at scraping feet as they walk across the mat.

The surface is made from a quick drying needle-punched polypropylene constructed in a raised V design. This makes the scraping action effective when walked on from any direction. These floor mats also have a vinyl backing and edging around the perimeter of the mat.

Chevron Door Mats are all-purpose floor mats for use indoors or outdoors when covered. Easily clean by vacuuming regularly or deep clean with a hot water or shampoo extraction.

- 3/8" thick
