

## Classic Salon Mats

Classic Salon Mats are the most popular salon mats in the industry! These salon floor mats have a traditional looking, easy clean vinyl surface and a comfortable foam base that reduces fatigue and provides support to the back, neck, legs and feet.

These solid black and black marble salon mats provide long-lasting comfort and come in 3 cut-out styles to fit around circular, square and star shaped salon chair bases.

These salon mats are stain, chemical and puncture-resistant and, thanks to the non-stick mat surface, hairs can easily be swept off.

These salon comfort mats come 1/2" & 7/8" thick and include a depression (where the foam is removed from the underside so the salon chair sits evenly on the mat's surface).

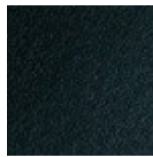

Note that 2' x 3' (shampoo) mats are only available rectangular shaped and do not have a cut-out.
