

## CleanStick Clean Room Carpet Mats

CleanStick Clean Room Mats are an excellent complement to any clean room or dust free environment. These versatile anti dust floor mats feature a two-stage cleaning system with a carpeted pre-scrubber and a refillable adhesive second stage.

The aggressive carpet scrubbers on these floor mats do the heavy work of removing dirt and debris, while the tear-off adhesive inserts remove fine dust, pollen and bacteria.

Just two steps on the refillable adhesive insert removes over 90% of contaminants. By reducing the contaminants that come into the room in the first place, CleanStick Clean Room Mats can extend the life of your air filtration media, increase manufacturing yield rates and decrease costs per unit.

Mats are available in a wide array of configurations and colors. Choose from: 18 attractive colors, two widths and single or dual-stage cleaning (carpet + adhesive or adhesive only). Call for details on adhesive-only clean room entrance floor mats, or with any other ordering questions.

- Available as single stage (sticky only) or dual stage
- Smooth backing or Gripper for extra grip on carpets
- National Floor Safety Institute certified (High Traction)
- Adhesive insert refills sold separately
