Coco Door Mats

Coco Mats, also known as Coir Mats, are time-tested doormats that act like scrub brushes, expertly cleaning dirt and debris from shoes.

Our commercial-grade coco door mats are constructed from coconut fiber husks that are embedded in a strong vinyl backing for added life. This design allows the fibers to stick straight up from the base of the floor mat and therefore work their way into shoes grooves.

Coco mats are available in several thicknesses – from 1/2" thick up to 1-1/4" thick. Several colors are available (in the 3/4" thicknesses only; natural is available in all thicknesses).

Many high-traffic entrances, especially retail stores and apartment buildings, are equipped with cocoa mats given their hardy construction and effective design.

To clean coco door mats, simply shake out, vacuum or hose down and air dry.

Our coco door mats are customizable – please email or call us for pricing.
