

Comfort Kitchen Drainage Mats

Comfort Kitchen Drainage Mats are commercial duty kitchen mats designed for comfort and safety.

These mats have holes for drainage and integral safety ramps to prevent falls. The traction grid top surface works in unison with the comfort flex interior design to provide sure footing and anti-fatigue performance.

Mats are made from Nitrile rubber, making them grease and oil proof, resistant to most chemicals and easy to clean. The mats are further protected with an anti-microbial treatment that prevents mold, bacteria and odors.
