

## Comfort Zone Kitchen Mats

ComfortZone Kitchen Mats are the perfect heavy-duty comfort floor mat for use in high traffic commercial food prep areas. These anti-fatigue kitchen floor mats feature a solid construction with large holes for fluid drainage and a textured surface for increased traction. Safety is further emphasized with the molded in beveled edges and lightly textured surface.

ComfortZone anti-fatigue mats are available in Black and Red. Black carries a one-year warranty and is grease-resistant. Red is grease-proof, comes with a three year warranty and is manufactured with an anti-microbial rubber compound that inhibits the growth of most bacteria and fungi. Mats are 3' x 5'.

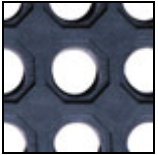

Black mats are perfect for kitchen environments where grease resistance is desired. Red mats are ideal for food service applications that require a totally grease-proof and anti-microbial comfort floor mat.

- Solid rubber construction with excellent drainage
- Textured top surface for increased traction
- Edges are beveled for safety and eliminate trip hazards
- Black mats are grease-resistant; Red mats are grease-proof and anti-microbial
- Mat dimensions are 3' x 5' x 5/8" thick
