

Deluxe Black Chair Mats

Deluxe Black Chair Mats are a premium quality black desk chair mat made from a totally rigid, heavy gauge vinyl composite. These desk chair floor mats are constructed to withstand heavy and constant rolling loads and are a great option for people who are tired of replacing cracked chair mats.

These black chair mats come in a variety of different shapes and sizes shown online and are also available in custom cut sizes and configurations. The Deluxe Black Chair Mats feature a textured surface that allows for some helpful rolling friction, while still allowing for an easy glide on the mat. All chair mats are also beveled around the perimeter to allow for easy movement on and off the mat.

Deluxe Black Chair Mats are designed to be used on either carpeted or hard floors and in either residential or commercial applications. These chair mats are also easily cleaned by wiping the surface with a damp cloth.

PLEASE NOTE: A lip is defined as the tongue that slides under the knee-hole of some desks. The measurements listed for chair mats with a lip option are inclusive of the lip dimension.
