## EndurableFoam Anti Fatigue Mats

EndurableFoam Anti Fatigue Mats are durable and economical anti-fatigue floor mats. Featuring ½” of total thickness, a comfortable foam base layer and dense vinyl scuff resistant top layer, these value minded anti-fatigue comfort mats last longer than similar products. 1 year warranty on all EndurableFoam mats.

Mats are ½” thick overall and have integral safety ramps on the long edges to prevent tripping as workers step on and off the mats. Durably constructed from a foamed vinyl base layer, permanently bonded to a dense and resilient.

The textured top surface increases traction and prevents slipping, and the safety beveled edges prevent tripping.

These mats are designed for medium traffic dry areas and available in 2', 3' and 4' widths. Several stock sizes available, and custom lengths up to 60'.

- Comfort foam base with dense durable top layer
- Economical yet durable, for medium traffic
- Safety beveled edges to prevent tripping
