

Hog Heaven Anti Fatigue Mats

Hog Heaven Anti Fatigue Mats combine a nitricell foam base with a premium nitrile rubber surface to produce a commercial-grade, truly comfortable anti fatigue mat.

Hog Heaven anti-fatigue mats are manufactured for heavy-duty use and can withstand industrial and commercial environments. Additionally, these floor mats hold up well to small spills and light cart traffic.

The nitricell foam base of these anti fatigue mats has excellent rebound for a long life while the mat's nitrile rubber surface boasts a teardrop surface pattern for added traction and slip-resistance.

Hog Heaven anti-fatigue mats are available 5/8" and 7/8" thick and between 2' and 5' wide with safety beveled edges on all sides.

Given their rugged construction and longevity, Hog Heaven anti fatigue mats are an excellent value.

These floor mats are available in solid black and also with OSHA-approved striped colored borders including red, orange, yellow and green.
