## Hog Heaven Confetti Anti Fatigue Mats

Hog Heaven Confetti Anti Fatigue Mats are the perfect combination of comfort and durability. Time-tested as one of the most comfortable anti fatigue mats on the market, the Hog Heaven Confetti is made from a closed cell foam base with a resilient rubber surface shell made from recycled crumb rubber.

The pliable rubber surface and foam base not only makes the Hog Heaven Confetti Anti Fatigue Mat one of the most comfortable fatigue mats available, it also stands to be one of the toughest and most enduring because of its hard-wearing rubber surface shell.

This anti fatigue mat is perfect for all commercial and industrial uses. It is made for everyone from the occasional standing retailer to the factory worker standing for an eight hour shift. The Hog Heaven Confetti Anti Fatigue mat is also made to hold up to the occasional cart traffic, rolling chair, or even certain high heels.
