

Hog Heaven II Modular Floor Tiles

Hog Heaven II Modular Floor Tiles are modular anti-fatigue floor mats. The rubber is 100% Nitrile, which retains its properties throughout the lifetime of the mat. Mats are modular, easy to install and clean, with 16% recycled content. Several options are available to fit your needs.

The top traction layer is certified by the National Floor Safety Institute for high traction in dry areas, and may be further enhanced with a durable **grit** traction additive. Both the solid surface, and the closed cell cushion are resistant to chemicals, liquids, fats and oils, which makes cleanup easy.

These modular floor tiles can be configured in square and rectangular configurations, or installed and trimmed right up to and around existing equipment configurations. Please call with any questions or for help with measuring and ordering.

- Two sizes, 18" x 18", 36" x 36"
- Black or black / yellow striped borders

Item No: FM.HHMFT
