

Industrial WorkSafe Anti Fatigue Mats

Industrial WorkSafe Anti Fatigue Mats are very durable and extremely comfortable anti-fatigue mats. Featuring large open holes for ergonomic support, water drainage and debris capturing, these floor mats keep you comfortable and safe. The raised ridges on top and available safety ramps prevent tripping, while the knobs on bottom keep the mats from slipping. Easily customizable, 1 year warranty.

A wide range of sizes and available connector strips allow both rectangular and non-rectangular custom configurations. 5/8" thickness provides the ultimate combination of ergonomic comfort, water resistance and anti-slip properties for high-debris environments. Easy to clean under, simply roll mats up and clean under them.

These anti-fatigue comfort mats are ideal for work areas where water or debris are common such as: waterjet machining stations, metal and wood lathes, milling stations, grinding machines, brake lathes, auto shops, and cabinet / millwork shops.

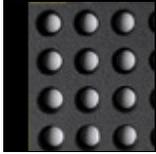

- Safety Borders: Yellow, Orange, Black available
- 5/8" thick, water resistant
- Grease resistant, 100% natural rubber compound
- 1 year warranty

Item No: FM.FIW
