Laser Print Custom Logo Mats

Laser Print Logo Floor Mats offer highly detailed custom logo designs on a carpeted surface floor mat. These custom floor mats are produced using state-of-the-art custom logoing technology, which allows for a vast array of colors, sharp detail as well as fading and shading effects.

Laser Print Logo Floor Mats have a nitrile rubber backing, which helps keep these floor mats in place on any surface and prevents curling on the edges, even with constant handling.

The carpet surface of this logo mat is treated to be stain-, fade- and mildew-resistant.

Laser Print floor mats capture more detail than similar carpet logo mats and, with over 300 colors to choose from, these custom floor mats will closely match your branded logo design.

Easily clean these mats by shaking out, vacuuming, hosing off or even steam extracting.

PLEASE NOTE: a logo mat design proof will be emailed to you for your approval before production.
