

## Oriental Door Mats

Oriental Door Mats are commercial grade upscale entrance floor mats with an aesthetically pleasing design. These door mats feature a traditional and elegant Oriental rug design blended with commercial quality materials and construction.

These door mats are proven performers. The nylon fibers grab dirt, debris and moisture from guests' shoes, keeping your floors safe, and clean. The heavy-weight vinyl backing helps prevent movement and the vibrant colors are injected deep within the mat fibers to prevent fading.

These floor mats are perfect for all interior entrances and doorways. Our customers commonly use Oriental Door Mats in lobbies, doorways, foyers, offices, reception areas, waiting rooms, hotels and professional buildings.

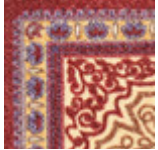

- Color injection keeps colors vibrant
- Traditionally appealing oriental rug design
- Mats help keep floors safe and clean
- Heavy non-slip backing keeps the mats in place
- Great for high traffic doorways and entrances
