

Rejuvenator Linkable Anti Fatigue Mats

Rejuvenator Linkable Anti Fatigue Mats are modular runner mats designed for long-lasting durability and comfort. Rejuvenator mats are constructed from a closed-cell urethane foam core fully encapsulated in a 1/8" thick abrasion-resistant outer skin. This floor mat design is highly crush-resistant and very durable, allowing us to offer a 10-year warranty for resilience.

Ideal for dry areas, though occasional spills are easily wiped clean. These anti-fatigue runner mats are perfectly suited for walk-ways, aisles, order picking stations, high-traffic lanes between work areas or any other location where workers stand to work for long periods.

To order these anti-fatigue linkable runner mats:

- 1) Choose your preferred width; 2' or 3'
- 2) Determine total number of 5' long segments needed
- 3) Order one Male End mat, one Female End mat
- 4) Order enough Center mats to fill your total from step 2

- 5/8" Thick Urethane
- Mats are extremely durable and comfortable
- Mats available in 2' and 3' widths, 5' long
- Male end, female end and center tiles
- 10 year warranty for resilience
