

Ribbed Door Mats

Ribbed Door Mats boast a high-low ridge design to brush dirt and water from shoes and hold it in the trenches so the top surface of this door mat can effectively continue to keep floors clean.

Ribbed floor mats have ridges, or corrugations, running the length of the mat though these multi-directional door mats are equally effective regardless of the direction the floor mat is positioned.

These ribbed door mats have a polypropylene surface which is stain and fade resistant and allows these floors mats to dry quickly.

A vinyl backing and border is found on all sides of the mat.

Ribbed floor mats are designed for use in medium-duty use locations. For heavy traffic areas, we recommend our Super Ribbed Floor Mats.

To clean ribbed floor mats, simply shake out, vacuum or hose off.
