

Sticky Mats

Clean room Sticky Mats aggressively pull dirt, debris and other impurities off shoes to help prevent these contaminants from entering inside.

These tacky mats are ideal for use in medical, laboratory and clean room environments as well as locations with excessive debris, such as construction sites and even residential applications.

These 1/8" thick sticky mats have a tacky polyethylene surface, which offers economical dirt and dust control for hard floors and low-profile carpet.

Each set of sticky mats includes 4 pads of 30 sheets each (for 120 total sheets per set), with each pad having an adhesive backing to stay in place on the floor.

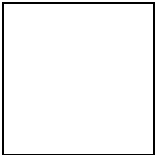

Once a sheet becomes dirty, the top layer can easily be peeled off to reveal a fresh sheet.

Although sticky mat frames are available, they are only necessary when a full pad is not used in a single location. For instance, a contractor may only need the mats on a job site for few days before moving on to a new location and thus would attach the sticky floor mats to the skid-resistant frame for transient use.

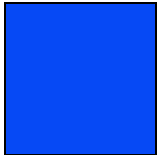

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-50
18" x 36" (4 pads/30 sheets per pad)	\$62.00	\$61.00
18" x 45" (4 pads/30 sheets per pad)	\$72.00	\$71.00
24" x 36" (4 pads/30 sheets per pad)	\$72.00	\$71.00
24" x 36" FRAME w/ 1 pad	\$72.00	\$71.00
24" x 45" (4 pads/30 sheets per pad)	\$95.00	\$94.00
26" x 45" (4 pads/30 sheets per pad)	\$98.00	\$96.00
36" x 36" (4 pads/30 sheets per pad)	\$106.00	\$105.00
36" x 45" (4 pads/30 sheets per pad)	\$116.00	\$114.00
36" x 60" (4 pads/30 sheets per pad)	\$194.00	\$190.00
