## Super Berber Door Mats

Super Berber Door Mats are ideal for locations with heavy-duty foot traffic and/or environments where extra large sizes or wall-to-wall floor mat installations are required.

Although offering a similar pattern to our Berber Floor Mats, the Super Berber Floor Mats are made with commercial-grade polypropylene, woven extra tight and packed more firmly to increase longevity and scraping ability of these door mats.

These super berber floor mats have a rubber backing and heavy-duty beveled nosing to help keep these door mats in place and prevent trips and falls.

Super berber mats can be customized to virtually any size or shape up to 13' 5" x 80' and come in a variety of colors to match almost any décor.

We recommend these door mats for use in schools, large office buildings and hospitals as well as high-traffic retail stores.

To clean super berber floor mats simply vacuum, hose down and air dry or steam extract.
