Super Ribbed Door Mats

Super Ribbed Door Mats are heavy duty floor mats made for use in high traffic areas. The surface is made from quick drying polypropylene and constructed in a raised ribbed design. The pronounced raised ridges on these entrance mats are highly effective in scraping off dirt, debris, and moisture from shoes.

The Super Ribbed Door Mats also feature a heavy duty rubber backing as well as a heavy duty beveled edging that goes around the perimeter of the floor mats. Each mat may be custom cut to an exact size to meet the specification of the area. Or, you may select from the online list of common sizes ordered. These floor mats may also be produced without the beveled edge for wall-to-wall and recessed applications.

These entrance door mats are the perfect mat for use in heavily trafficked areas such as entrance ways of office buildings, hospitals, schools, retail stores, and apartment buildings.

Super Ribbed Door Mats are easily cleaned by shaking out, vacuuming, or hosing down and drying. These floor mats may also be deep cleaned with the use of a hot water or shampoo extraction.

- 1/2" thick
- For use in heavy traffic
- Indoor or outdoor use
- Custom exact sizes available
