Super Brush Door Mats

Super Brush Door Mats are ideal floor mats for heavy traffic entrance areas. Made from quick drying polypropylene, these floor mats feature a widened rib loop surface design that makes for an excellent scraping and brushing action when walked across. Super Brush Door Mats also have a heavy duty rubber backing and beveled edging around the perimeter.

Super Brush Door Mats are perfect for use in high traffic environments such as commercial office buildings, hotels, and retail entrance areas. These door mats can also be cut to any exact size specification or you may order online from a selection of popular sizes. You may also order these mats without edging when installing wall-to-wall or inside of a recess. Please call for specific options.

Clean these entrance door mats regularly with a commercial vacuum and deep clean with a shampoo or steam extraction machine.

- 1/2" thick
- For use in heavy traffic
- Indoor or outdoor use
- Custom exact sizes available

Item No: FM. ECOSB
