Tile Top Anti Fatigue Mats

Tile Top Anti-Fatigue Mats are our most popular comfort floor mats due to their classic marbled look and their superior comfort.

Tile Top floor mats include an anti-microbial compound in both the top surface layer as well as the anti fatigue cushion layer, which help eliminate bacteria and other unwanted contaminants, making these anti-fatigue floor mats perfect for use in pharmacies, laboratories or anywhere germs are of greater concern.

Not only do these Tile Top Anti Fatigue Mats have a visually appealing design, which also helps hide debris but the floor mat's smooth top surface allows for easy cleaning.

Tile Top anti fatigue mats are available both 1/2" and 7/8" thick and between 2' and 5' wide yet these floor mats can also be produced in custom shapes and sizes.

Whether these anti-fatigue mats are being used in front of a sink, behind a counter or inside a lab, they are sure to provide years of comfort to the neck, back, knees and feet.
