

Uptown Door Mats

Uptown Door Mats are elegant and efficient entry mats that are constructed with alternating high – low looped fibers for efficiently cleaning and drying shoes. These very high quality entry floor mats boast 40 oz. per yard tufted nylon, which is highly absorbent, retains moisture and exhibits excellent wear and crush resistance.

A heavy vinyl backing helps keep these 3/8” thick entry way door mats in place in even the heaviest foot traffic. The unique processing of the carpet fibers also yields high crush-resistance as well.

Uptown Door Mats are color coordinated to work with our Boulevard Door Mats to act as an extremely effective Scrape, Clean and Dry floor matting system while retaining an elegant color coordinated appearance.

An ideal entry mat solution for large, high-traffic, upscale entry areas commonly found in hotels, resorts, law firms, office buildings, professional buildings and office parks.
