

Vinyl Mesh Door Mats

Vinyl Mesh Door Mats are high quality floor mats designed for providing a safe, non-slip walking surface. They are constructed from durable and long lasting 100% vinyl.

These indoor / outdoor floor mats feature a vinyl extrusion arranged in a random pattern for superb traction. The open mesh is ideal for capturing large amounts of debris and water, and allows air circulation for fast drying.

Mats are available in several configurations: 1) As an open mesh mat. 2) Open mesh with solid vinyl backing. Vinyl backed mats are superb entrance mats. Open mesh mats with no backing are ideal for use in excessively wet locations such as pool, spa and shower areas.

Vinyl Mesh Door Mats are easy to clean: simply vacuum these mats, shake them out, or hose them off and let them air dry.
