

## Waterhog Masterpiece Door Mats

Waterhog Masterpiece Door Mats are heavy-duty entry mats with an alternating link or "basketweave" surface pattern, that offers multi-directional scraping and wiping action to keep shoes dry and floors clean.

Waterhog Masterpiece mats have a polypropylene surface which dries quickly while the premium rubber backing prevents the edges from curling up and keeps the mat from sliding on the floor.

This floor mat's rubber water dam border retains water within the trenches, keeping the moisture off the surrounding floor.

The Waterhog Masterpiece Mat surface is made from polypropylene, which is stain, fade and mildew resistant.

These waterhog door mats are perfect for moderate to heavily-trafficked indoor and outdoor areas.

Clean these floor mats by vacuuming or hosing off and hanging to dry.
