Waterhog Premier Door Mats

Waterhog Premier Door Mats are the ultimate waterhog mats due to their extra dense face weight and heavy-duty rubber backing. With 50% more surface material than the Waterhog Classic, these Waterhog Premier mats last even longer and are able to wick more water off shoes.

Waterhog premier door mats have a nitrile rubber backing to keep them in place and prevent curling on the edges.

The borders on this door mat are available in the standard black rubber finish or a matching fabric option.

The surface of these waterhog mats is made of polypropylene for its stain-, fade- and mildew-resistance as well as its ability to dry quickly.

With 26 colors to choose from and a heavy-duty multi-direction diamond walking pattern, Waterhog Premier Mats are a definite go-to product for any high-traffic entrance either indoors or outside.

To clean waterhog premier floor mats just shake out, vacuum or hose down.
