

Waterhog Two-End Grand Premier Door Mats

Waterhog Two-End Grand Premier Door Mats provide for a timeless custom look without the custom cost. These stylish door mats feature a half round curve at both ends of the mat and also have a raised surface pattern that is extremely effective at scraping dirt, debris and water off of shoes.

These Waterhog Two-End Grand Premier mats have a beveled containment edge around the perimeter of the mat which does an excellent job of keeping water on the floor mat and off the surrounding floors. These beveled edges color-match the floor mat color selection. Made from a polypropylene surface material, these door mats are also very quick to dry. The all-rubber non skid backing keeps these mats securely in place.

Perfect for use in locations such as hotel and office building lobbies, retail stores, restaurants, apartment and condominium buildings, or any space where a high quality, elegant looking floor mat is preferred.

To clean these Waterhog door mats, simply vacuum, shakeout, or hose down and air dry.
